§ 517.3 Definitions.

(a) *Commercial use requester* means a requester seeking information for a use or purpose that furthers the commercial, trade, or profit interests of himself or the person on whose behalf the request is made, which can include furthering those interests through litigation. In determining whether a request properly belongs in this category, the FOIA Officer shall determine the use to which the requester will put the documents requested. Where the FOIA Officer has reasonable cause to doubt the use to which the requester will put the records sought, or where that use is not clear from the request itself, the FOIA Officer shall contact the requester for additional clarification before assigning the request to a specific category.

(b) *Confidential commercial information* means records provided to the government by a submitter that arguably contains material exempt from disclosure under Exemption 4 of the FOIA, because disclosure could reasonably be expected to cause substantial competitive harm.

(c) *Direct costs* mean those expenditures by the Commission actually incurred in searching for and duplicating records in response to the FOIA request. Direct costs include the salary of the employee or employees performing the work (the basic rate of pay for the employee plus a percentage of that rate to cover benefits) and the cost of operating duplicating machinery. Direct costs do not include overhead expenses, such as the cost of space, heating, or lighting of the facility in which the records are stored.

(d) *Duplication* refers to the process of making a copy of a document necessary to fulfill the FOIA request. Such copies can take the form of, among other things, paper copy, microfilm, audio-visual materials, or machine readable documentation. The copies provided shall be in a form that is reasonably usable by the requester.

(e) *Educational institution* refers to a preschool, a public or private elementary or secondary school, an institute of undergraduate higher education, an
